From the Rector's Desk

Dear Parishioners,

The story is told of Jonathan Swift who, surveying his uncompromising congregation, began his sermon, "There are three kinds of pride - of birth, of riches and of talents. I shall not speak of the latter, none of you being liable to that abominable vice". I am delighted to be rector of this group of Parishes where there is an abundance of talent and many of you use that God given talent and gifts to good affect in our community and further afield.

It is that time of year again when we think of some change. The Easter Vestries present us with the opportunity to elect new members to represent us on our Select Vestries with the usual opportunities for change in personnel and office bearers. We are very fortunate to have a healthy supply of gifted and willing people to choose from. The next issue of PINS will have an account of the Easter Vestries and the names of those chosen to represent you for the next year. This time I must signal my sincere and heartfelt gratitude to all who have faithfully served during this past year. Countless hours were given freely by Select Vestry members and Building Committee members. Added to this was the sterling work carried out by all Churchwardens and Glebe Wardens. Economically, times have been challenging for most families in the wake of the infamous tiger and I say a very sincere thank you to all who have given sacrificially to the Lords work in the Parish. Income is down somewhat but we are still in a much more healthy state than many parishes who are really struggling to make ends meet and, in an increasing number of cases, are not meeting their financial commitments.

The completion of the Parish Centre at Newcastle will bring great changes to ministry in the area. This completion has been long talked about and it may seem a long time in coming to a reality but it is almost here! September will be very special when we see the premises opened for use and there will be increasing activity as more and more events, organisations, clubs and activities get established there. There will be a Parish Office which will be open for a certain number of hours during the week, those hours yet to be decided. We have all stops out getting important preparations sorted for the Play School, Castle Kidz, to open for the beginning of the school year, and there will be an official opening of the centre at a date yet to be set.

I feel humbled while looking at the monthly, weekly and daily parish activities involving many of you on a regular basis. The calendar of events is truly amazing and increasing, and this is only possible due to the commitment of parishioners who sacrifice themselves and their time for their involvement in ministry within our parishes. Calary is now firmly on the cultural map with its music and art and is seen more and more as a real centre for community in that area. Table tennis and Sunday School are regular activities and when opportunities arise the people of Calary are always ready to be visionary and do things which enhance the community. A classic example of this is the pin hole camera workshop which will be of great interest to many and the annual participation in the historical week in opening the church for guided tours.

If Jonathan Swift were here to comment I am sure he would express very positive remarks to make about the talents used by parishioners in God's service through our Parishes.

I am particularly proud of the junior choir and the way these young people have enhanced the family services. Thanks to Joan for her great work in training and encouraging these young people. Another first for us is the Bible Book Club which has been excellently led by Karen and has been noted by the Archbishop as something he might like to promote in the Diocese.

I must again pay tribute to Mervyn for the way he has headed up the building committee and has seen the project almost to its conclusion. Also a special thanks to our administrator Karen, who has not only been an excellent Churchwarden, but has taken the bit between her teeth with all that has to do with organisation and administration in the parish. She executes her vast load in a most professional and efficient way; she has very clear thought and skill in these areas of admin.

I hope you will make a special effort to attend your Easter Vestry Wednesday 30th April McLean Room and Thursday 1st May Calary.

God Bless,
William

Follow the Blue Hats- A Trip to Israel 2014

We travelled to Israel via Istanbul on the 26th of April 2014. There were (eventually!) 24 of us, some first timers to the Holy Land and others returning for a second or third time. We met our guide Ofer and driver Saied at the airport in Tel Aviv and travelled in our 'Blue-line' bus to Jerusalem where we spent the first three days of our tour.

Ofer our guide was an integral part of the experience. He spoke knowledgeably about all we saw, offering different perspectives from his backgrounds in archaeology and farming. On the very first day he gave us all blue hats to wear to recognize each other in the crowds. He ensured that we made the most of every day, and with the driving skills of Saied we saw a myriad of sights. I remember taking in the spectacular view of the city of Jerusalem from the Mount of Olives, and then walking down the steep hill to the Garden of Gethsemene to see the ancient olive trees. The nearby Church of All Nations has the most vivid blue ceiling. Beside St Stephen's gate we had a coffee break and tasted the most unusual pomegranate juice made in front of us. Later, we had our first lunch in an Armenian restaurant where the falafel and hummus were served with delicious spicy red sauce.

Every day we saw so much. We spent a full day exploring the ancient city, archaeological sites and the Western Wall. When we left Jerusalem we headed north to Nazareth. From there we reached our hotel right beside the Sea of Galilee. The one day it rained we went to the Mount of Beatitudes where the birds were singing as William spoke to the group. We went to the fishing village Capernaum which was the home of St Peter and we viewed an ancient synagogue. There were cats everywhere.

We went to the Golan Heights and visited Ofer's Irish friend, Tony, who had the most wonderful garden and flowers. Our bus then managed to climb to a viewing point at the top of a volcano high up in the Golan Heights overlooking Syria and Lebanon- there was an icy wind and we could see the snow on Mount Hermon. Our tour was later personalized to include bird and wildlife sanctuaries, singing in the Caesaria amphitheater, an aquarium and even a late night trip to a hot spring enjoyed by a select few who had some energy left after dinner! Our trip incorporated a lot of singing and swimming- the Red Sea, the Dead Sea, the Sea of Galilee and even the Mediterranean were all on offer.

One highlight of the trip was receiving communion in the cistern of the Garden Tomb in Jerusalem. William had given us all tiny wooden cups for the communion. There wasn't enough wine to go around and the redistributing of wine mid communion was just one of the many acts of sharing in our group. I enjoyed this trip to Israel- not just for the sights we saw and the food we ate, but for the interaction in the group and the new people I got to meet.

Thank you to all those who helped to organize this experience and especially thank you to William for your energy, friendship and words of wisdom. Shalom!

Ellie Russell

Financial Report

The Financial Report for 2013 is enclosed with your copy of PINS. Thank you to our Hon Treasurer, Andy Sleeman, for all his hard work during the year, and to John Langrell for kindly auditing the accounts.

From the Hon. Treasurer

I hope to have the forms ready for reclaiming income tax from parishioners ready to send out by June. As you should by now be aware, the income tax on all contributions of €250 or more to the Parish since January 2013, that can be identified by name, whether you are PAYE, Self employed or self assessed, can now be reclaimed by the parish at a "blended" rate of 31%. This concession is a great help to Parish finances and prompt return of the signed forms would be appreciated.

There are still some free-will offering envelopes at the back of Newcastle Church for this year which have not yet been claimed.
