## From the Rector's Desk

Dear Parishioners,

Where has it gone to? Many of us will have lost count of the number of times we have heard that remark as the summer months, once again, fade into the background! I do hope you have had some time to relax and enjoy the kind of summer we usually only dream of. But now for many of us it is back to the busy gearing up for school, college or the usual getting them out in the morning and being a shuttle service to this and that. The joys of parenthood seem to get more hectic each year.

I hope that for all who have finished school you have been pleased with results and find a very suitable 'next stage' for your education and/or career. Always good to remember that exam results may be important but they do not determine what kind of person you are. Results may have an important bearing on what you decide on as a career or for further study, but, you as a person are far more important than any exam result. A meaningful life is more about what we can give to society than what we can do. Remember the great parable Jesus told about the widow who had few abilities but gave what she had, a small mite, and she was highly commended by Jesus!

Please note new arrangement for Sunday worship. We will be introducing an evening service in Newtownmountkennedy on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of each month. The services will commence at 6.30pm. and will be on a trial period until next Easter. On other Sundays, services there will be at the usual time of 10.45am. Details will always be on PINS and can be accessed on the parish website. This new arrangement will allow opportunity for Sunday worship for those who find it difficult to attend in the morning and will also help relieve some pressure on those conducting worship. The time between morning services at Calary and Newtownmountkennedy is very limited and, apart from the fact that it is very stressful on a rushed preacher, it poses real dangers, especially in the winter months, rushing down narrow and often icy roads.

Confirmation Classes will soon begin in the parish. If you are considering confirmation do let me know as soon as possible. Registering for and attending classes does not mean you must, or will be, confirmed, the final decision will only be made near the time of confirmation. This is a very important stage in a person's spiritual journey and if taken seriously means a sincere commitment to God and his Church. It is vitally important that those wishing to be confirmed attend the classes.

Work on the new Parish Centre is now well under way. Most of the heavy excavating work has been done, foundations are all down and the block work is progressing very favourably. The weather has been ideal for this stage of the work and has meant that even if rain comes now the builders are almost past the soil shifting stage and are on dry footing.

Sale has been agreed for the fourth and final site on the Glebe Land. and we expect that final permission will soon be granted to the parish by Wicklow County Council for the access roadway, enabling the purchasers progress to applying for planning permission for their individual houses.

This has been a massive task undertaken by the Select Vestry, the Building Committee and especially the chairman of that committee Mervyn Garrett. We can thank God for all involved and pray that there will not be many unforeseen difficulties at this final stage. We would hope that we will be celebrating the opening of the centre about Easter time next year.

Finally it is getting close to our Harvest Thanksgiving services. Details in next issue of PINS but do take note that Newcastle will be on Friday Oct.4<sup>th</sup> and Sunday 6<sup>th</sup> and Calary on Sunday 13<sup>th</sup>.

With every good wish,

*William*

## Car Treasure Hunt And Barbecue

We were blessed with good weather for the car treasure hunt and barbecue on Saturday 10<sup>th</sup> August. The participants in the treasure hunt did very well answering a range of cryptic clues on the route, collecting a strange variety of items, and producing the required photos. Funnily enough there seems to be a strong

reluctance to produce said photos for PINS! Winners were the Motley Crew Team, the Power/Carroll team, and the Kissane Team. It was great to see the teams plus an extra crowd at the barbecue later.

Thanks to everyone who helped out organising, setting up, bringing food, clearing up, etc.

## All These Things

*by Belinda van Rensburg*

Jesus cares for you and me  
For all the fishes in the sea  
For crawling snakes and birds that fly  
Upon the earth and in the sky.

Little bugs that buzz and hop  
Horses galloping clip clop  
Ponies prancing; dolphins dancing  
Love birds kissing and romancing.

Sharp-eyed eagles that can soar  
Mighty ocean waves that roar  
Bleating lambs and chimps that swing  
Refreshing showers in the Spring.

All these things and so much more  
Jesus Christ loves and adores  
He made each thing and everyone  
Who lives under the smiling sun.
